19 STARDUST WPU300 chameleon paints.

The chameleon colors of the STARDUST PRO range of acrylic airbrush paints change color depending on the viewing angle. They also create different colorful visual appearances depending on the background color. On this color card, chameleon paints are applied on a white background on a black background.

Discover the colors on the site : [www.stardustcolors.co.uk](http://www.stardustcolors.co.uk)
